

Lakefest  
Grapevine  
*'Legacy on the Lake'*

## *Event Overview*

**When:** June 25, 2011

**Where:** Silver Lake Marina, Lake Grapevine

**Why:** The entire proceeds of this event will benefit the Legacy Brain Foundation, whose mission is “eliminating cancer as a major health problem by preventing cancer, saving lives, and diminishing suffering from cancer, through research, education, advocacy, and service.”

**Highlights:** Patrons of Lakefest Grapevine will blast into summer celebrating June 25th and in doing so will support a great cause, the Legacy Brain Foundation. Attendees will enjoy a beautiful day on Lake Grapevine including live music, arts, and a beautiful fireworks display.

**Attendees:** Over 7,500 people

**Goal:** To raise over \$200,000 for the Legacy Brain Foundation

*The Legacy Brain Foundation* was founded by Dr. Virginia Stark-Vance just over 5 years ago to assist brain and spinal cord tumor patients and their families with some of the financial burdens associated with cancer diagnosis. Legacy Brain Foundation is privately funded and receives no government or third-party reimbursement. All of the funds raised by supporters and volunteers, as well as the Legacy Brain Foundation Board, directly to support the patient and their families.

Legacy Brain Foundation awards grants to cancer patients to help with the associated costs of a cancer diagnosis. Because medical expenses and treatment costs can be just as devastating as a diagnosis itself, the grants can be used to help pay living expenses that may have gone by the wayside because of mounting costs of medical expenses.

The need for financial aid for cancer patients and their families is growing at a rapid pace. It is Legacy Brain Foundation's goal to provide the assistance necessary to all patients in need.
