

The 2011 Lakefest Grapevine and the Legacy Brain Foundation would like to honor all those who have been touched by cancer - those who have survived, those who have passed on, the care takers who graciously dedicate their time, and those WARRIORS who are currently going through the battle right now.

Each gift made in memory or in honor of loved ones will be showcased by a card on our **Lakefest Wall of Fame** with their name on it. Attendees who are survivors and Warriors will be given a ribbon to wear proudly throughout the event. If the acknowledgement information is complete, a special card will be sent to the individual of your choice.

We suggest a minimum contribution of \$10
